

CONVENIENT, COMFORTABLE BATHING FOR YOUR BABY OR TODDLER

Rinse Ace® Brand Baby & Toddler Rinsers make bathing your child in the tub, shower or sink incredibly easy. No more messy cups, pitchers, or flimsy hoses that blow off! Now you have complete control to prevent water and suds from getting in your child's eyes.

Simply install the patented Rinse Ace® shower connector or faucet aerator one time, then easily snap-on the hose at bath time. The variable flow sprayer can be paused or adjusted from light to full spray to ensure the most convenient and comfortable bathing experience for you and your child.
